- a) Technical proposals will be opened by the Tender Opening Authority or his authorized representative as per the Date & Time schedule mentioned in the N.I.T. electronically from the website stated in Clause 2 of this NIT using their Digital Signature Certificate.
- b) The Tender Inviting Authority reserves the right to defer the date of opening of either Technical

or Financial Proposal or both, if required.

- c) Prospective Tenderers or their authorized representatives may be present during the opening process.
- d) The Deputy Field Director, STR, W.B. or his authorized representative opening the Financial Proposal may call for Open Bid/Seal Bid after opening of the said tender to obtain the suitable rate further, if required. If any of the Tenderers or their representatives fails to attend during this process no subsequent objection would be entertained under any circumstances at any later date or time.

5. OPENING AND EVALUATION OF TECHNICAL PROPOSAL

- a) Technical proposals will be opened by the authorized representatives electronically from the website stated in Clause 2.1, using their Digital Signature Certificate. Intending tenderers may remain present, if they so desire.
- b) Cover (Folder) for Statutory Documents should be opened first, if found in order, Cover (Folder) for Non-statutory Documents will be opened. If there is any deficiency in the Statutory Documents, the tender will summarily be rejected.
- c) Decrypted (transformed into readable formats) documents of the Non statutory Cover will be downloaded, and handed over to the Tender Evaluation Committee (constituted for evaluation of tenders).
- d) While evaluation, the Committee may summon the tenderers and seek clarification/ information or additional documents or original hard copy of any of the documents already submitted and if these cannot be produced within the stipulated time frame, their proposals will be liable for rejection.

Note:-

No tender shall be deemed to be fit for consideration unless the tender documents are fully and completely filled in. All information that may be asked from the Tenderer must be unequivocally furnished. The eligibility of a Tenderer will be ascertained based on the documents submitted by a Tenderer in support of eligibility criteria. If any document submitted by a Tenderer is found to be incomplete/incorrect/ manufactured / fabricated or false, his Tender will be out rightly rejected at any stage and legal action will be taken against him.

6. UPLOADING OF SUMMARY LIST OF TECHNICALLY QUALIFIED TENDERERS

Pursuant to scrutiny and decision of the Tender Evaluation Committee (TEC), the summary list of eligible tenderers with the serial number of work(s) for which their Financial Proposals will be considered will be uploaded in the web portals of the tendering website. Any clarifications/objections regarding the evaluation of the technical proposal may be brought to the notice of the TEC in writing within 2 days after such summary list is published.

7. FINAL PUBLICATION OF LIST OF TECHNICALLY QUALIFIED TENDERERS

Date of opening of financial bid will to be intimated in the final summary list as selected after the publication of the summary list and listening to grievances if any. Financial Bids of only those tenderers who would qualify in the Technical Bid evaluation will be opened.

8. OPENING AND EVALUATION OF FINANCIAL PROPOSAL

Financial proposals of the tenderers declared technically eligible by the Tender Evaluation Committee

will be opened electronically from the web portal stated on the prescribed date, normally after 2(two) working days of date of publication of final summary list of the tenderers.

Tender Opening Authority or his Authorized representative electronically as per the Date & Time Schedule mentioned in the N.I.T. from the website using their Digital Signature Certificates.

Decrypted (transformed in to readable formats) B.O.Q. would be downloaded by the Tender Evaluation Committee. The encrypted copies will be decrypted and the rates will be read out to the contractors remaining present at that time. Intending technically qualified tenderers are encouraged to be present during this process.

After evaluation of Financial Proposal, by the appropriate authority of STR i.e. Tender Evaluation Committee may upload the final summary result containing inter-alia, name of contractors and the rates quoted by them against each work, provided the Tender evaluation committee is satisfied that the rate obtained is fair and reasonable and there is no scope of further lowering down of rate.

Note: -

A Tenderer is to quote in figures as well as in words, his rates in the following forms as applicable in his cases against the estimated value put to tender of the tender form. The rate shall be clearly and legibly written and the whole writing must be by the hand of the person signing the tender and the same pen and ink. Erasing and over writing SHALL NOT BE ALLOWED. Correction in the rate should be avoided but if this becomes unavoidable, the entire rate and not a portion only shall be scored out and signed (not simply initialled) by the Tenderer in token of such cancellation. A fresh rate in one of the specific form and in the specified manner shall then be correctly written.

9. PROCEDURE TO BE FOLLOWED WHEN ONLY ONE/TWO TECHNICALLY QUALIFIED TENDERERS PARTICIPATED IN ANY TENDER

Financial bid of technically qualified single / two tenderers may not be opened immediately. 2nd call may be invited immediately after technical evaluation and uploading the list of the technically qualified bidders(s) of the 1st call. If such bidder(s) technically qualified in the 1st call intend(s) to change their rates quoted in the 1st call, they are to purchase tender paper afresh. In case of non-purchase, the rates quoted in the 1st call would remain valid. After selection of technically qualified tenderers for 2nd call (in case new tenderer other than the existing tenderer of the 1st call), financial bid of both 1st and 2nd call would be opened. Financial evaluation would be made in a combined way considering both 1st and 2nd call. However, in case tenderer(s) of 1st call submit(s) fresh tender in 2nd call, rates of 2nd call should be considered in the process of evaluation.

10. ACCEPTANCE OF TENDER (TECHNICALLY ELIGIBLE/QUALIFIED)

Lowest valid rate should normally be accepted. However, the Tender Accepting Authority does not bind himself to do so and reserves the right to reject any or all the tenders, for valid reasons and reserves the right to distribute the work amongst more than one tenderer.

11. AWARD OF CONTRACT

a) The Tender Inviting Authority reserves the right to accept or reject any Tender and to cancel the Tendering processes and reject all Tenders at any time and prior to the Award of Contract without thereby incurring any liability to the affected Tenderer or Tenderers or any obligation to inform the affected Bidder or Bidders of the ground for Employer's action.

b) The Bidder who's Bid has been accepted will be notified by the Tender Inviting & Accepting Authority through acceptance letter/ Work order which will constitute the formation of the contract subsuming all the terms and conditions mentioned in the NIT.

c) The Agreement will incorporate all agreements between the Tender Accepting Authority and the

successful Bidder. All the tender documents including NIT & B.O.Q. will be the part of the Contract Document.

d) The successful Tenderer, if directed, will have to submit four sets of all the Tender Documents along with BOQ in connection with this Tender in hard copy within 5 (Five) days from the date of receipt of Letter of Acceptance/Work order of the Tender. Failure to do so will be liable to termination/rejection of Tender with forfeiture of Earnest Money.

Note: This Tender is floated in anticipation of Financial & Administrative Approval, sanction, and release of fund in FY 2024-25. Work order may be issued after the availability of fund.

12. PENALTY FOR SUPPRESSION/DISTORTION OF FACTS

If any tenderer fails to produce the original hard copies of the documents (especially completion certificates and audited balance sheets), or any other documents on demand of the Tender Evaluation Committee within a specified time frame or if any deviation is detected in the hard copies from the uploaded soft copies or if there is any suppression, the tenderer will be suspended from participating in the tenders on e-Tender platform for 3 (Three) years. In addition, his user ID will be deactivated and Earnest Money Deposit will stand forfeited. Besides, the STR may take appropriate legal action against such defaulting tenderer.

2. SCOPE OF WORKS:

The work to be done is covered in this tender. The same has been detailed in the drawings and schedules of probable items with approximate quantities. It includes furnishing all materials, labour, tools and equipment and management necessary for and incidental to the construction and completion of the work.

All work during its progress and upon completion shall conform to lines elevation and grades as shown on the drawing furnished by the employer. Should any details essential for efficient completion of the work be omitted from the drawings and specifications it shall be the responsibility of the Contractor to inform the Employer and to furnish and install such details with their concurrence, so that upon completion of the proposed work the same will be acceptable and ready for use.

The Tenderers are to note that the scope of work as mentioned may be reduced to any extent which is absolutely at the discretion of the Employer. This reduction of the extent of work should not be a criterion for extra claim in respect of materials stored, establishment and cost incurred or any other losses occurring out of these causes.

The Contractor shall carry out and complete the works in every respect in accordance with this contract and in accordance with the directions and to the satisfaction of Employer who shall be the final authority. The Employer may in their absolute discretion issue further drawings and /or written instructions, details, direction and explanations which are hereafter collectively referred to as the Employer's instructions in regard to:

- The variation or modification of the design, quality or quantity of works or the addition or omission or substitution of any work.

The Contractor shall forthwith comply with and duly execute any work comprised in such Employer's instructions provided always that verbal instructions, directions and explanations given to the Contractor or his representative upon the works by the Employer shall, if involving a variation, be confirmed in writing by the contractor within seven days. No work, for which rates are not specifically mentioned in the priced schedule of quantities, shall be taken up without written permission of the Employer.

Rates of items not mentioned in the Priced Schedule of Quantities shall be fixed by the Employer, as provided in Clause VARIATION. If complete with the Employer's instructions as aforesaid involves work and/or loss beyond that contemplated by the Contract then, unless the same were issued owing to some breach of this contract by The Contractor, the Employer shall pay to the Contractor the price of the said work an extra to be valued as hereinafter provided and /or loss.

3. CONTRACTOR NOT TO SUBLET:

The Contractor shall not without the written consent and approval of the Employer assign the agreement or sublet any portion of the work.

4. AGREEMENT:

The successful Tenderer, if required, may have to enter into an agreement with the Employer. Stamp duty and all other costs connected with execution of such agreement shall be borne by the successful Tenderers.

5. MAINTENANCE PERIOD AND DEFECTS AFTER COMPLETION:

The Contractor shall make good at his own cost and to the satisfaction of Employer all defects, shrinkages or other faults arising in the option of the Employer from workmanship or materials not being in accordance with the drawings or specification of schedule of quantities or the instruction of Employer which may appear within the maintenance period. The maintenance period shall mean a period of maintenance to be calculated from the date of completion of work. The maintenance period shall be maximum twelve months (01 year) after date of supply.

The defect, shrinkage settlements or other faults which may appear within twelve months or monsoon whichever period is longer after the virtual completion of the work (hereinafter called as the defects liability period) arising in the opinion of the Representative who shall be final authority for materials and workmanship not in accordance with the contract, shall upon the directions in writing of the Representative and within such responsible time specified therein, be amended and made good by the Contractor at his own cost unless the Representative shall decide that he ought to be paid for such amendment and for making good and in case of default the Employer may employ and pay other persons to amend and make good such defects, shrinkage, settlement or other faults and all damages loss and expenses shall be recoverable from him by the Employer or may be deducted by the Employer from any money due or that may become due to the Contractor.

The entire security deposit (including earnest money furnished with the tender, amount deposited at the time of execution agreement and amount deducted from progressive bills) shall be held till the work is completed in all respects the full satisfaction of the Employer and till the expiration of the maintenance period. Employer shall not pay interest on the Earnest Money and Security Deposit

7. COMMENCEMENT AND COMPLETION OF WORK:

EXTENSION OF TIME AND LIQUIDATED DAMAGES FOR DELAY:

The entire work is to be completed in all respects in stipulated times as mentioned in the Tender Notice from the date of issue of work order. Time is essence of contract and shall be strictly observed; by the Contractor. The date of commencement of the work shall be the date on which the work order is issued to the Contractor or the date when the Contractor take possession of the site officially whichever is later.

The Contractor shall complete the work in all respects to the satisfaction of Employer within the stipulated time, failing which the Contractor shall be bound to pay compensation at the rate of ½ per cent (half per cent) over the total tendered value of work for delay of every week or part of a week by way of liquidated damages and not as a penalty. Provided always that the entire amount of compensation to be paid under the provision of; this clause shall not exceed 10 per cent of the

contract price. The payment or deduction of such damages shall not relieve the Contractor of; his obligation to complete the work or from any other obligation and liability under the contract.

The Contractor shall within five (5) days of receipt of intimation that his tender has been accepted submit to the Employer an abstract programme of work so drawn as would enable him to complete the work within the time contemplated. The abstract programme must indicate the work within the time contemplated. The abstract programme must indicate dates of starting and completion of respective parts of sections of the work. The abstract programme would be subjected to the approval of the Employer who will have the power of making such modification therein as found necessary. The actual progress as compared with this chart will be reviewed periodically.

If the Contractor be delayed in the progress of the work by; exceptional weather conditioned civil commotion, strike or lock-outs, fire, unusual delay in transportation unavoidable casualties, act of public enemy, Acts of the Government, Any Acts of the Authority or of another Contractor in the performance of his contract with the Employer or any other causes beyond the Contractor's control, the Contractor shall apply in writing to the Employer for an extension of time of the Completion of work or the part or section concerned within ten days of such occurrence, but before the expiry of the stipulated date of completion.

The Employer shall on such application make an enquiry and may grant such extension of time as they think justified. The decision of the Employer in this respect shall be final and binding on the Contractor. The work shall not be considered as completed until the Employer has certified in writing that they have been completed and the maintenance period shall commence from the date of such certificate.

- Payment shall be made electronically to the Contractor through Treasury, Canning by the Employer on the certified bills of the Representative of the employer. All bids shall be prepared by the Contractor in the Form prescribed by the employer. The payment may be delayed some time for non receiving of fund in time.

8. ESCALATION OF PRICES:

- The rates quoted by the Contractor shall be firm throughout the tenure of the contract (including extension of time, if any granted) and will not be subject to any fluctuation due to increase in cost of materials, labour, sales tax, Octroi etc.

9. TERMINATION OF CONTRACT BY EMPLOYER:

If the Contractor (being an individual or a firm commit any Act of Insolvency or shall be adjusted an insolvent or shall make an assignment or composition of the greater part in number or amount of his creditors or shall enter into a deed of assignment with his creditors, or (being incorporated company, shall have an order made against him or pass an affective Resolution for winding up either compulsorily or subject to the supervision at the Court of voluntarily, or if the official
